

CITIC Pacific Limited 中信泰富有限公司

(Incorporated in Hong Kong with limited liability)

ACQUISITION OF INTERESTS IN PRC POWER PLANTS CONNECTED TRANSACTIONS

The Directors announce that on 13 October 2003, Everwin, a wholly owned subsidiary of CITIC Pacific, entered into the Sunburst Agreement and the Shaanxi Xin Li Agreement with CITIC Beijing, pursuant to which Everwin will acquire from CITIC Beijing (a) 65% of the registered capital of Sunburst together with the benefit of the Shareholders' Loan (but excluding 51% of the registered capital of Shaanxi Xin Li Power held by Sunburst) and (b) 20% of the registered capital of Fengtai Electric Power.

The consideration payable under the Sunburst Agreement amounts to RMB360,960,000 (approximately HK\$339 million). In addition, in relation to a banking facility of RMB315,490,000 (extended by an independent third party) to Shaanxi Xin Li Power under which CITIC Beijing has provided a guarantee to the bank and Sunburst has provided the Counter Indemnity, CITIC Beijing and Everwin have agreed that in relation to any claim against CITIC Beijing under its guarantee to the bank, CITIC Beijing and Everwin will share such claim equally and Everwin will indemnify CITIC Beijing accordingly, but the maximum amount of claims to be borne by Everwin has been agreed by Everwin and CITIC Beijing to be limited to RMB50 million.

CITIC Beijing is a substantial shareholder of CITIC Pacific. Accordingly, the Sunburst Agreement and the Shaanxi Xin Li Agreement constitute connected transactions of the Company for the purpose of the Listing Rules. The aggregate of the consideration or value of the Acquisition (including the consideration payable under the Sunburst Agreement and the maximum exposure of Everwin under its indemnity to CITIC Beijing (which indemnity is ancillary to the Sunburst Agreement and not the principal purpose or effect of the two agreements)) does not exceed 3% of CITIC Pacific's consolidated net asset value as at 31 December 2002, the transactions are accordingly disclosed in this announcement and will be disclosed in CITIC Pacific's forthcoming annual reports pursuant to Rule 14.25(1)(a) of the Listing Rules until Everwin's indemnity to CITIC Beijing is released.

DETAILS OF THE SUNBURST AGREEMENT

Date: 13 October 2003

Parties: CITIC Beijing as seller
Everwin as purchaser

Assets:

- 65% of the registered share capital of Sunburst (but excluding Shaanxi Xin Li Power – see "Details of Shaanxi Xin Li Agreement" below);
- the Shareholders' Loan; and
- 20% of the registered capital of Fengtai Electric Power.

Sunburst is an investment holding company which in turn beneficially owns 13.44% of the registered capital of Jiangsu Ligang Power and 85% of the registered capital of Shenzhen Xiecheng. Accordingly through the Acquisition Everwin has agreed to acquire an attributable interest in:-

- 8.736% of the registered capital of Jiangsu Ligang Power;
- 20% of the registered capital of Fengtai Electric Power; and
- 65% of all other assets held beneficially by Sunburst (including 85% of the registered capital of Shenzhen Xiecheng but see "Details of the Shaanxi Xin Li Agreement" below).

Consideration under the Sunburst Agreement

The aggregate consideration under the Sunburst Agreement for 65% of Sunburst, the Shareholders' Loan, 20% of the registered capital of Fengtai Electric Power, is RMB360,960,000 payable in foreign currency. This comprises:

- an amount equal to the principal amount of the Shareholders' Loan of RMB46,890,000 (approximately HK\$44 million) and interest outstanding thereunder up to the Completion Date;
- RMB92,790,000 (approximately HK\$87 million) for acquiring 20% of the registered capital of Fengtai Electric Power; and
- the remaining balance for acquiring 65% of Sunburst.

Please refer to the section headed "General" below for the aggregate consideration for the Acquisition.

Condition to Completion of the Sunburst Agreement

The payment of the consideration under the Sunburst Agreement is conditional upon:

- all necessary approvals having been granted by the relevant PRC government authorities in relation to the Sunburst Agreement, the New Articles of Association and the New Joint Venture Agreement;
- the issue of a business license for Sunburst.

If the conditions are not satisfied within three months (or such other period as may be agreed between the parties) or waived in writing by Everwin from the date on which the regulatory approval is obtained for the Sunburst Agreement, the New Joint Venture Agreement and the New Articles of Association, the Sunburst Agreement can be terminated by either party. Condition (i) has already been satisfied.

Completion of the Sunburst Agreement

Completion of the Sunburst Agreement will take place on the third business day after satisfaction of the conditions.

DETAILS OF THE SHAANXI XIN LI AGREEMENT

Date: 13 October 2003

Parties: CITIC Beijing
Everwin

Sunburst also holds a 51% interest in the registered capital of Shaanxi Xin Li Power, but under the Shaanxi Xin Li Agreement, the parties have agreed that Everwin in purchasing 65% of Sunburst will not be purchasing the 33.15% (65% times 51%) attributable interest in Shaanxi Xin Li Power. The parties have agreed that between themselves, CITIC Beijing will be responsible for all income and liabilities derived from the said attributable interest, except in relation to the bank guarantee described below.

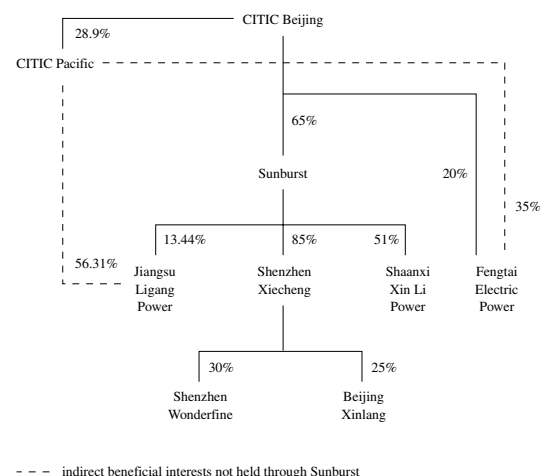

In relation to a banking facility of RMB315,490,000 (extended by an independent third party bank) to Shaanxi Xin Li Power under which CITIC Beijing has provided a guarantee in the amount of RMB147,300,000 to the bank and Sunburst has provided the Counter Indemnity to CITIC Beijing. The maximum liability under the Counter Indemnity is RMB147,300,000. Collaterals over two sets of generating units and the ancillary equipment, plant and facilities of Shaanxi Xin Li Power have been provided to Sunburst as security for the Counter Indemnity.

CITIC Beijing and Everwin have agreed that in relation to any claim against CITIC Beijing under its guarantee to the bank, CITIC Beijing and Everwin will share such claim equally and Everwin will indemnify CITIC Beijing accordingly, but the maximum amount of claims to be borne by Everwin has been agreed by Everwin and CITIC Beijing to be limited to RMB50 million, despite the existence of the Counter Indemnity referred to above.

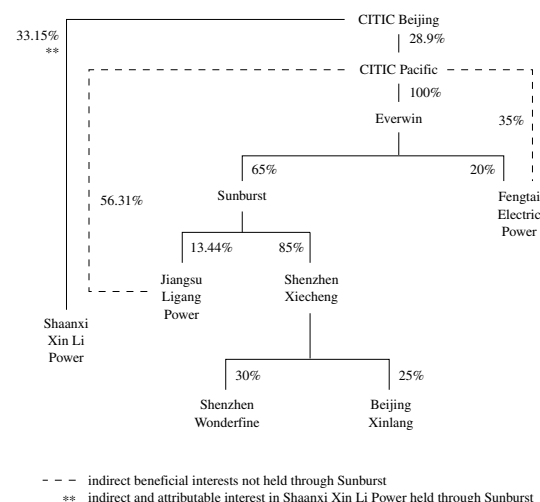

ASSETS TO BE ACQUIRED

The charts below show the structure of the beneficial ownership of Sunburst and Fengtai Electric Power prior to and after the Acquisition:-

Prior to the Acquisition

Immediately after the Acquisition

Sunburst is an investment holding company which in turn beneficially owns 13.44% of the registered capital of Jiangsu Ligang Power and 85% of the registered capital of Shenzhen Xiecheng. For the year ended 31 December 2001, the proforma consolidated net profit attributable to shareholders before and after taxation of Sunburst (excluding the 51% interest in Shaanxi Xin Li Power) were approximately RMB62 million (approximately HK\$58 million) and approximately RMB60 million (approximately HK\$56 million) respectively. For the year ended 31 December 2002, the proforma consolidated net profit attributable to shareholders before and after taxation of Sunburst (excluding the 51% interest in Shaanxi Xin Li Power) were approximately RMB41 million (approximately HK\$39 million) and approximately RMB39 million (approximately HK\$37 million) respectively. As at 30 June 2003, the proforma consolidated net asset value of Sunburst (excluding the 51% interest in Shaanxi Xin Li Power) was approximately RMB543 million (approximately HK\$510 million).

Jiangsu Ligang Power is engaged in the business of power generation, supply and sale of electricity and construction and operation of Ligang power plant in the PRC. The concession of Phase I and Phase II of the Jiangsu Ligang Power, each with a power generating capacity of 2 x 350 MW, ends in 2008 and 2018 respectively. Sunspark, a wholly owned subsidiary of the Company, already holds 56.31% of the registered capital of Jiangsu Ligang Power. Shenzhen Xiecheng, in which CITIC Beijing already has an indirect 15% interest, is engaged in the business of manufacturing and sale of high-voltage electricity transmission and transformation equipment, electrical machinery and appliances. Shenzhen Xiecheng in turn beneficially owns 30% of the registered capital of Shenzhen Wonderfine and 25% of the registered capital of Beijing Xinlang. Shenzhen Wonderfine is engaged in the business of development, production and sale of electricity switch and industrial automation equipment and Beijing Xinlang, in which CITIC Beijing indirectly holds the remaining 75% of the registered capital, is engaged in the business of sale, installation and provision of technical services of luminaire and lighting equipment.

Fengtai Electric Power is engaged in the operation and management of Huhhot Power Station (2 x 200MW). The first set of generating units commenced commercial operation in early 2002 and the second set of generating units commenced commercial operation in September 2002. Thus, there was no profit and loss in 2001. For the year ended 31 December 2002, the net loss before and after taxation of Fengtai Electric Power were both approximately RMB16 million (approximately HK\$15 million). As at 30 June 2003, the net asset value of Fengtai Electric Power was approximately RMB470 million (approximately HK\$442 million). Classabove Holdings Limited, a wholly owned subsidiary of CITIC Pacific, already has a 35% of the registered capital of Fengtai Electric Power. According to the constitutional documents of Fengtai Electric Power, certain operating and financial policies of Fengtai Electric Power, can only be made by resolutions of two-third or more of the board of Fengtai Electric Power. As CITIC Pacific will not have the control over two-third or more of the board of Fengtai Electric Power, CITIC Pacific will not have the unilateral control over the operating and financial policies of Fengtai Electric Power. Accordingly, Fengtai Electric Power will not be consolidated into the Company's accounts after completion of the Acquisition.

BASIS OF CALCULATING THE CONSIDERATION

The consideration under the Sunburst Agreement and the Shaanxi Xin Li Agreement was arrived at after arm's length negotiations between the Company and CITIC Beijing and is based on the net asset value of Sunburst after deducting Shaanxi Xin Li Power and the actual amounts of the Shareholders' Loan and the registered capital in respect of 20% in Fengtai Electric Power. The aggregate amount of the Shareholders' Loan principal and interest was approximately RMB53 million as of 30 June 2003. Deducting this amount and RMB92,790,000 for acquiring 20% of the registered capital of Fengtai Electric Power (which represents a discount of approximately 1% of the attributable net asset value of Fengtai Electric Power as at 30 June 2003), the consideration for 65% of Sunburst (excluding Shaanxi Xin Li Power) was approximately RMB215 million representing a discount of approximately 39% to its attributable proforma net asset value as at 30 June 2003 after deducting Shaanxi Xin Li Power.

According to the Sunburst Agreement and the Shaanxi Xin Li Agreement, in the event that the net asset value of Sunburst (excluding Shaanxi Xin Li Power) to be certified by PRC accountants in accordance with the generally accepted accounting principles in the PRC is below RMB346,731,000 as at 30 June 2002, the consideration will be commensurately adjusted.

The consideration will be funded out of available internal resources of the Company.

REASONS FOR THE ACQUISITION

The Company's long term objective remains to develop a large diversified business with focus on providing basic infrastructure in Hong Kong and Mainland China supplemented by marketing and distribution, property investment and management. The Acquisition represents an excellent opportunity for the Group to further expand its power business in Mainland China, picking assets attractive to the Group.

GENERAL

CITIC Beijing is a substantial shareholder of CITIC Pacific. Accordingly, the Sunburst Agreement and the Shaanxi Xin Li Agreement constitute connected transactions of the Company for the purpose of the Listing Rules. The Counter Indemnity will continue until there is no further liability under the guarantee of RMB147,300,000 described in the "Details of the Shaanxi Xin Li Agreement". The aggregate of the consideration or value of the Acquisition (including the consideration payable under the Sunburst Agreement in the amount of RMB360,960,000 and the maximum exposure of Everwin under its indemnity to CITIC Beijing, being RMB50 million (which indemnity is ancillary to the Sunburst Agreement and not the principal purpose or effect of the two agreements)) does not exceed 3% of CITIC Pacific's consolidated net asset value as at 31 December 2002. The Directors (including the independent non-executive directors of the Company) are of the view that the Acquisition has been entered into on normal commercial terms. The transactions are accordingly disclosed in this announcement and will be disclosed in CITIC Pacific's forthcoming annual reports pursuant to Rule 14.25(1)(a)

of the Listing Rules until Everwin's indemnity to CITIC Beijing is released.
